

“An aimless life is always a troubled life.

Every individual should have an aim.

But do not forget that the quality of your aim will depend the quality of your life.

Your aim should be high and wide,
generous and disinterested;

this will make your life precious
to yourself and to others. Whatever your
ideal, it cannot be perfectly realized
unless you have realized perfection
in yourself.”

~A Quote by Sri Aurobindo on self- perfection~
