

## JEAN

Wife, mother, grandmother, Child of God,  
Such a giver you were to us all,  
Loving, caring, sacrificing, strong,  
Faithful, kind, sweet, and humble,  
Your work here on earth is finally through,  
I can only imagine the mansion God has built for  
you,  
As we grieve your absence in our temporary home,  
There is peace in knowing you're where the angels  
roam,  
God blessed us with you as long as He could,  
But we only deserve so much from a heart so good,  
He needed His child in the Promise Land,  
To walk the streets of gold hand in hand,  
This is not goodbye just I'll see you soon,  
In a much better place beyond the moon...
